

SUNDAY, SEPTEMBER 8TH **EXPERIENTIAL SUPERVISION**

A one-day course with a Master Clinical Supervisor, Scott LaFein

This is a “must have” training for new clinical supervisors and clinical supervisors looking to boost clinical supervision with a renewed passion. Scott LaFein, MA, LMFT, has been doing clinical supervision for 20 years. He brings a talented blend of art, the creative process, experiential processing, EMDR and numerous other psychotherapeutic modalities. Scott will demonstrate for you how to effectively involve supervisees in experiential supervision sessions that get supervisees actively involved and learning on a deeper level.

6 CE’s for Psychologists, LCSWs, LMFTs, and LPCCs.

TIME: 8:30 AM to 4:30 PM

LOCATION: 353 Park Marina Circle, Redding, CA 96001

Continuing Education:

NBCC: AEI is approved by NBCC to provide continuing education, ACEP #6657. NBCC credits are accepted by the California Board of Behavioral Sciences as approved Continuing Education Credits and most state licensing boards for Master’s level therapists including Social Workers.

APA: AEI is approved by the American Psychological Association to sponsor continuing education for psychologists. AEI maintains responsibility for this program and its content.

Attendance at the entire program is required for CE Credit. No partial Credit will be awarded.

GOALS FOR THE DAY:

Understand the ideology of Experiential Therapy/Supervision

Beginning comprehension of application of Experiential Supervision – when and how to use

To be INSPIRED and REJUVENATED in your role as Supervisor!

OBJECTIVES INCLUDE::

Participating in at least three therapeutic experiential activities

Being able to name and describe at least five experiential interventions
